## Prez Sez

I wanted to let everyone know that there is now a lock on the freezer where the fence chargers are. Last week when I got to the field the cows were on field and the bottom two lines were broken. When I went to turn the fence off I found that it was turned off, so after fixing the fence I installed a lock on the box. If you need to turn the fence off make sure that it is turned back on before leaving.

Remember, the election of officers will be done at the next meeting and hope to see everyone there.

Terry Hix

## BVRC Dues

It is that time of year. The club voted to keep the dues for 2012 at \$75 which is unchanged from last year. If receiving your newsletter by US Mail, you can check the address label to know if BVRC records indicate your dues are paid. If you find 2012 beside your name, you are paid up for next year. 2011 appearing means you still owe for next year.

If you get your newsletter by e-mail notice, your status will be in the e-mail.

You can pay your dues at the meeting or by mail to BVRC at 2708 Bayberry Ct, Bryan, TX 77807. Pay your dues by the end of the January meeting to earn points for our annual auction in February.
